## Instructions:

1. **Prepare:** Print the following pages and cut out the Crown of Thorns and flowers. Be sure to leave room around the crown to add flowers later.
2. **Display:** Hang the crown on a wall or refrigerator.
3. **Participate:** Throughout Lent, for every act of love, service, or sacrifice your children perform, have them glue one flower onto the Crown of Thorns.
4. **Reflect:** At the end of Lent, look back at the "blooming" crown together and discuss the sacrifices made in preparation for Easter.
